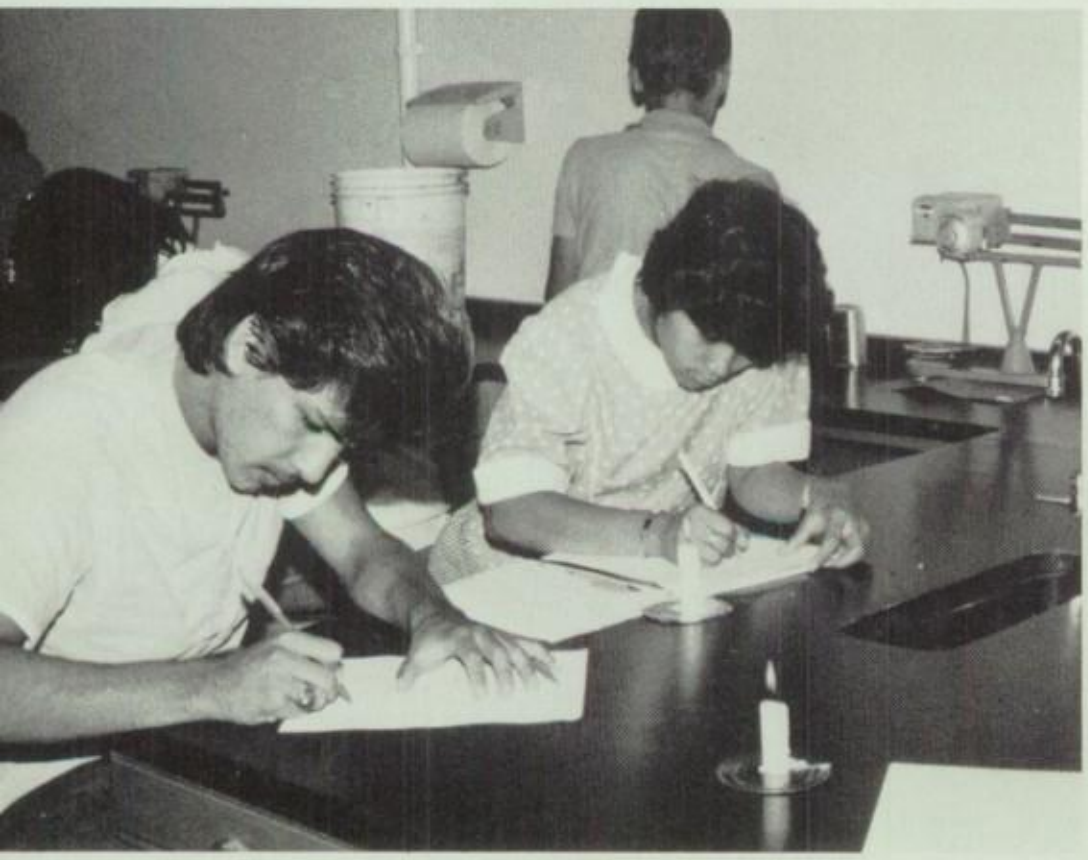
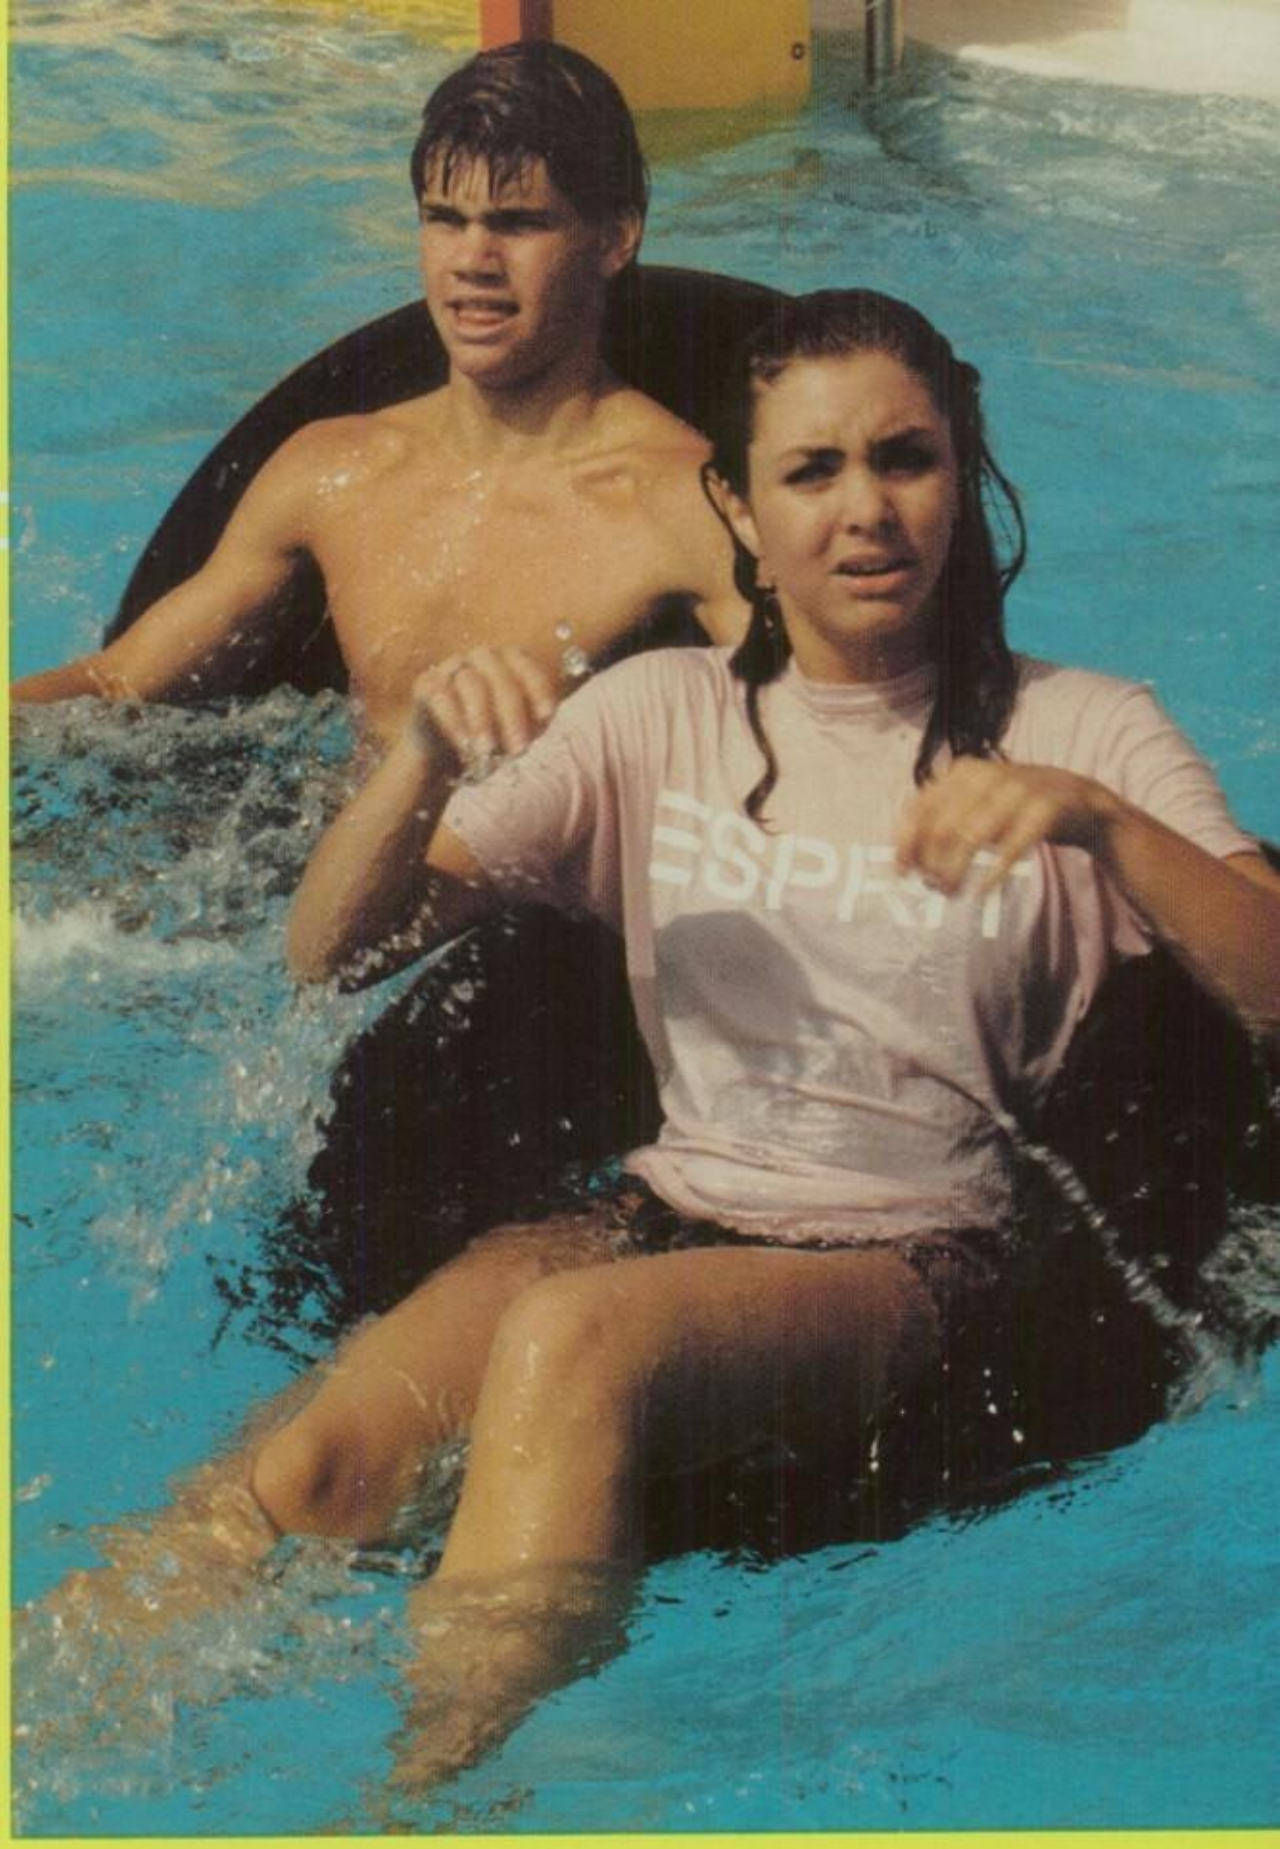
INTELLIGENT & MOTIVATED



WILCOX STUDENTS INTELLIGENT & MOTIVATED

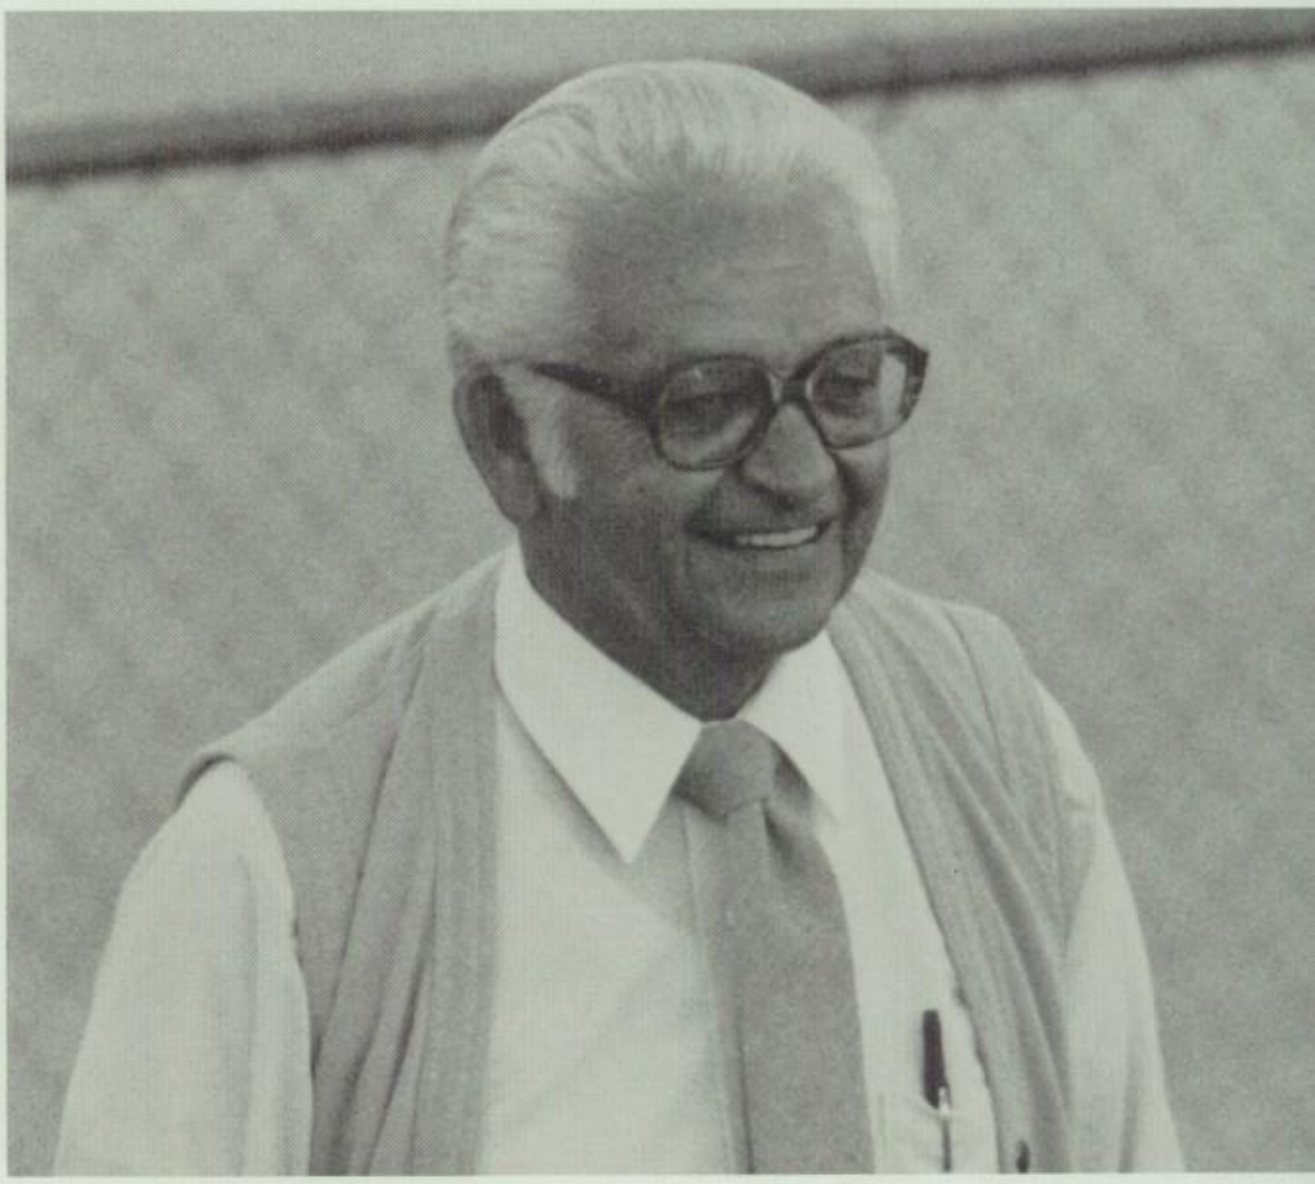
Wilcox students achieved outstanding honors in the Santa Clara County Fair Industrial Education Competition. The competition was held in late August this year. Out of forty-one entries, Wilcox received three "Best of Show" awards and two third place awards. The events of the competition were Technical Illustrating, Mechanical Drafting, and Architectual Drafting. Dan Giffin received "Best of Show" in Architectual Drafting; Armando Lopes Best Mechanical Drawing, and Kyle Fan, Best Beginning Mechanical Drafting. Never in the history of fair competition have three "Best of Show" awards been given to one school at the same time!

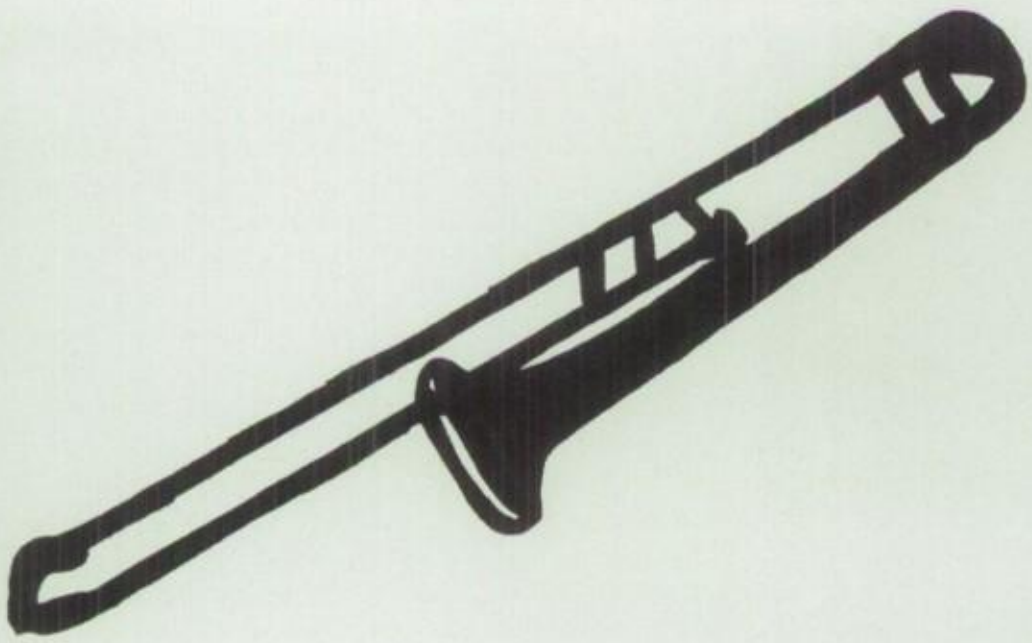
To each of us, fun and excitement came in a different form. We kept ourselves active with school, sports, work, and of course, after hours we lived it up. Without our activities and our friends, life would be hum drum. Life will be as fun and exciting as you make it out to be. Never give in; just GO FOR IT and have a ball!

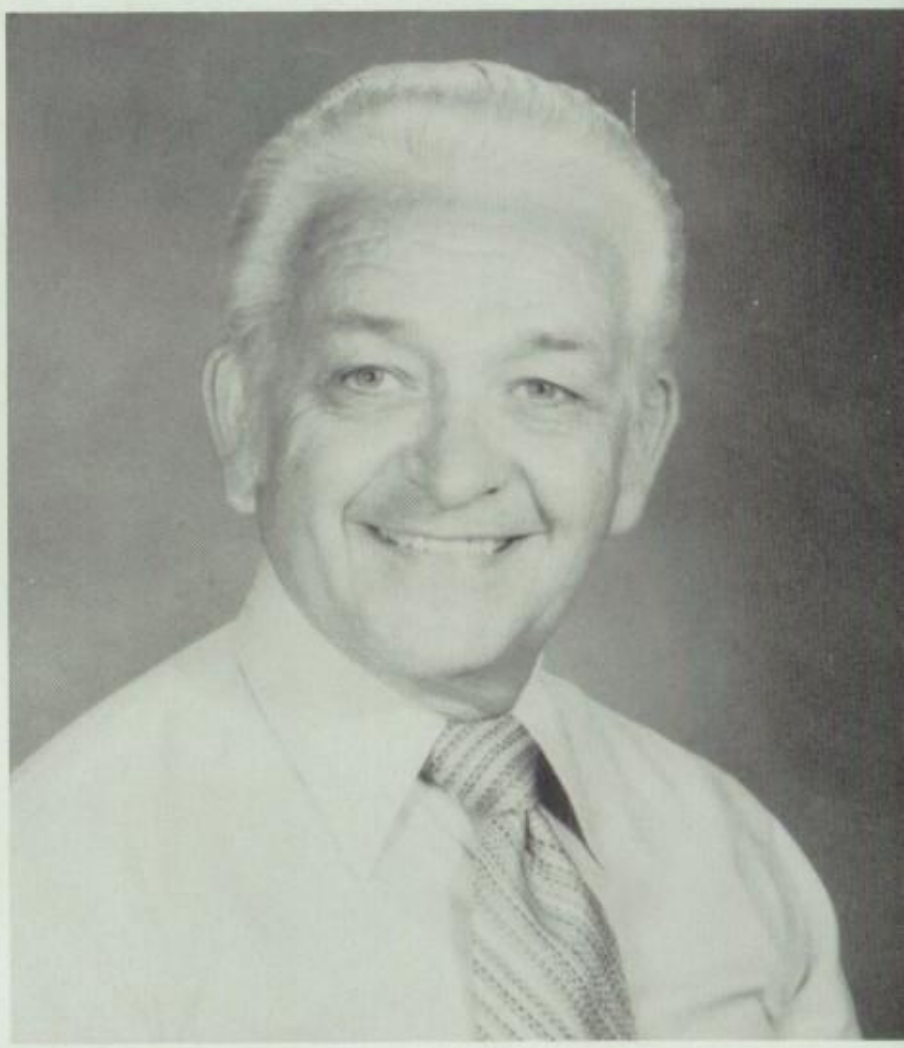


FUN & EXCITING

WE ARE INSPIRED BY







As the story begins, a healthy baby boy was born unto Mr. and Mrs. Garton, in Albion, Nebraska. They happily named him Duane. Duane was a talented young boy and he enjoyed music. Upon graduation from Vallejo High School in Vallejo, CA, he decided to further his musical education in college. He attended San Jose State, receiving the following credentials: Special Secondary, General Secondary, and Special Subject Supervision. He also received his BA and MA degrees in music.

After college, Mr. Garton met a lovely girl named Norma, and in 1949, they were married.

His teaching days began in 1950, when he taught in Hilmar, CA. After about three years, he moved on to Gilroy, where he taught another three years at Gilroy High School. He became a member of the Santa Clara School District in 1956. He taught for 26 years at Santa Clara High (now Buchser Jr. High). From 1975-1981, Mr. Garton served as the District Senior Music Teacher. He joined the Wilcox staff in 1981.

Mr. Garton — The Music Man — was recently honored as the SCUSD "Teacher of the Year" during the Santa Clara Teachers Recognition Day held on September 30, 1984, at the Saratoga Community Center. His long tenure with the SCUSD and his organization of the Wilcox musical programs were recognized and honored.

Not only is Mr. Garton dedicated to his students during school hours; he also spends much of his own time preparing special events that will make the music department that much more enjoyable. The first example which comes to mind is the much acclaimed musical. The musical tradition began with the classic performance of the "Music Man." The enthusiasm created was overwhelming. Although we have a relatively small music department, everyone pulled together and created a fabulous production. He proved that no matter what size a music department, anything can happen.

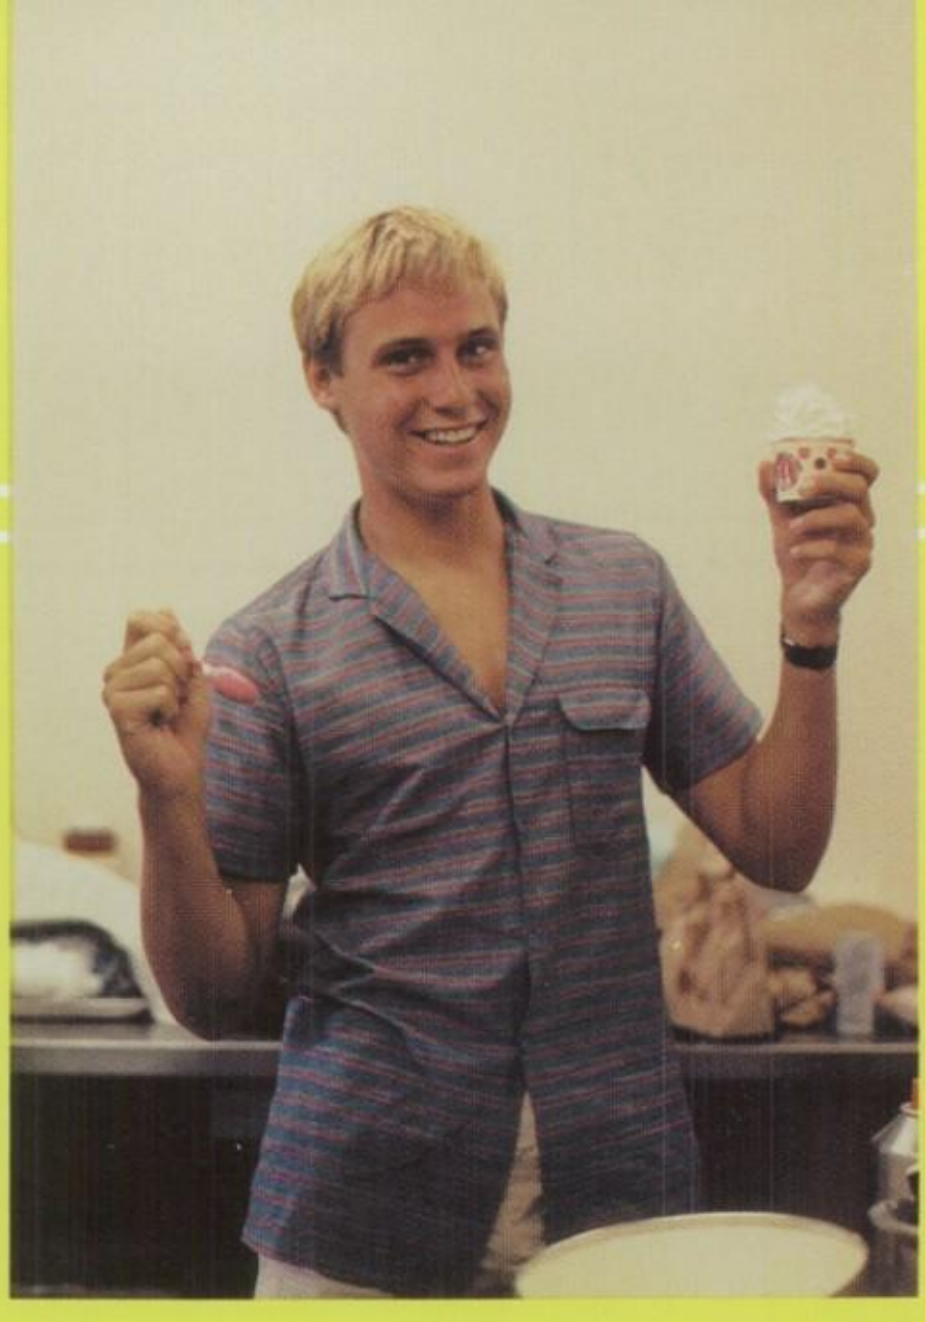
He is not only in charge of choir, Canta Nova, glee, band, and orchestra, he works weekly with the Chargerettes to prepare for half-time shows at each game. Preparing for half-time entertainment requires a lot of work and dedication which he seems to squeeze out of the band when needed.

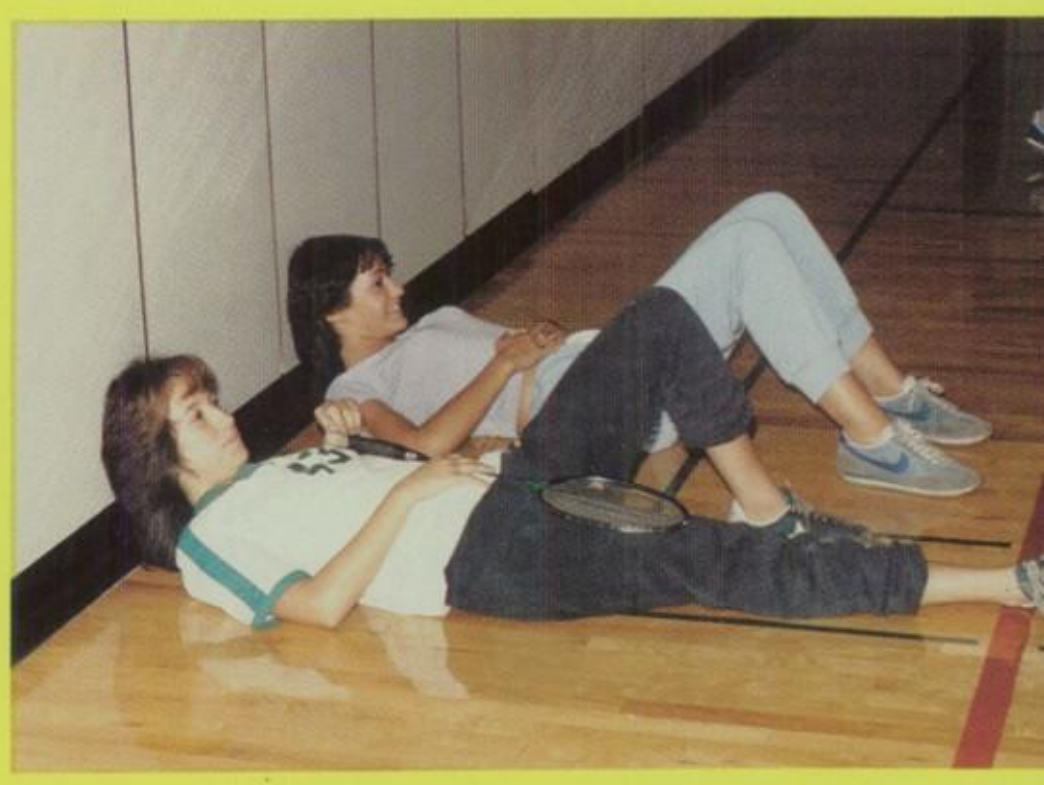
The stage band is his pride and joy. This group gets a lot of attention from the student body. It plays everything from traditional jazz to today's popular tunes. He not only directs the music; he plays along with them.

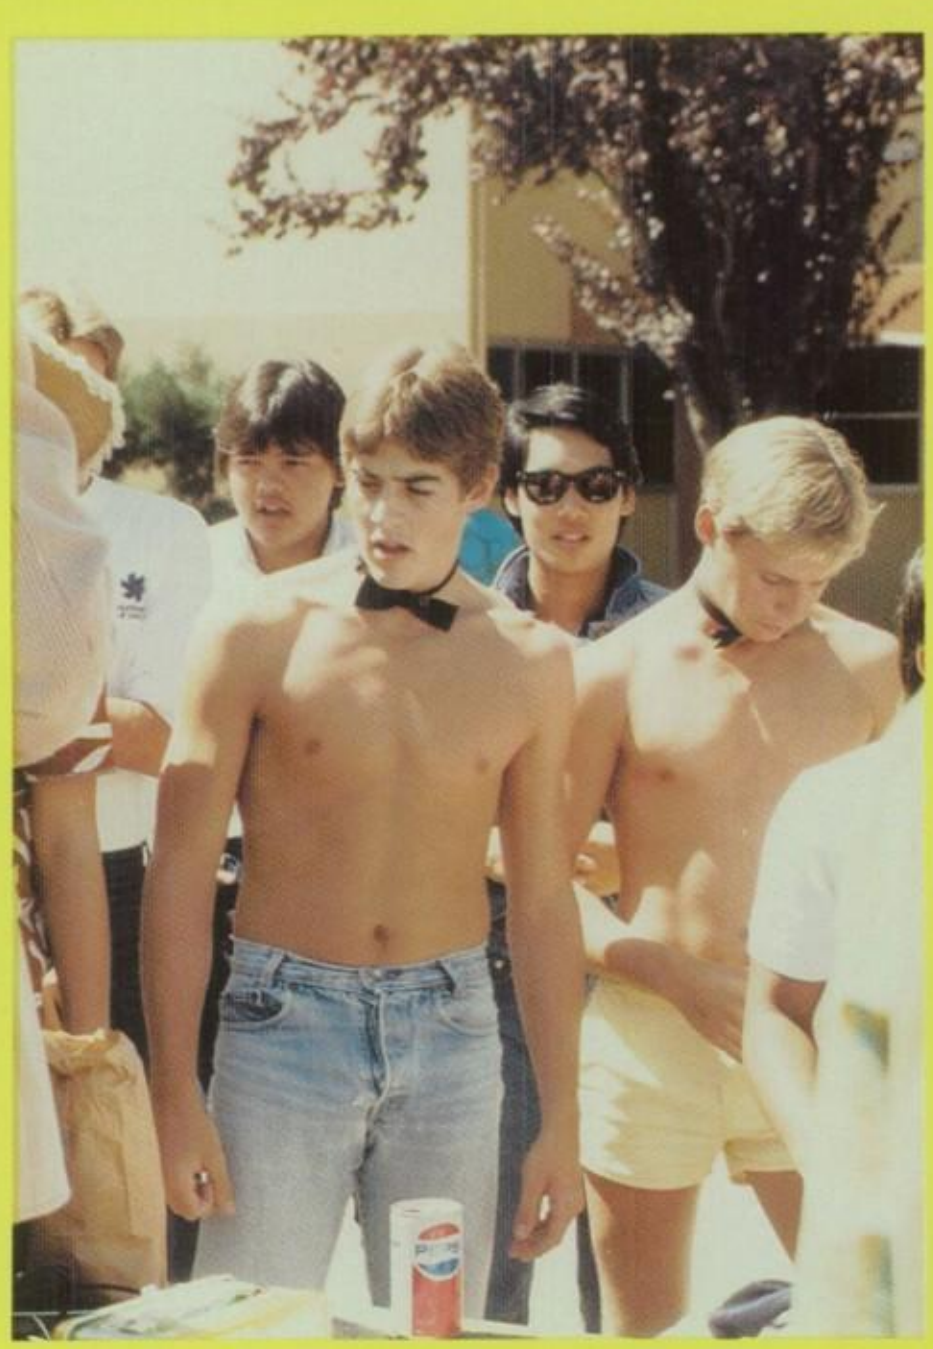
The students at Wilcox think very highly of Mr. Garton. He works his students very hard and expects them to give their all, but after the performance, they are willing to dedicate themselves even more.

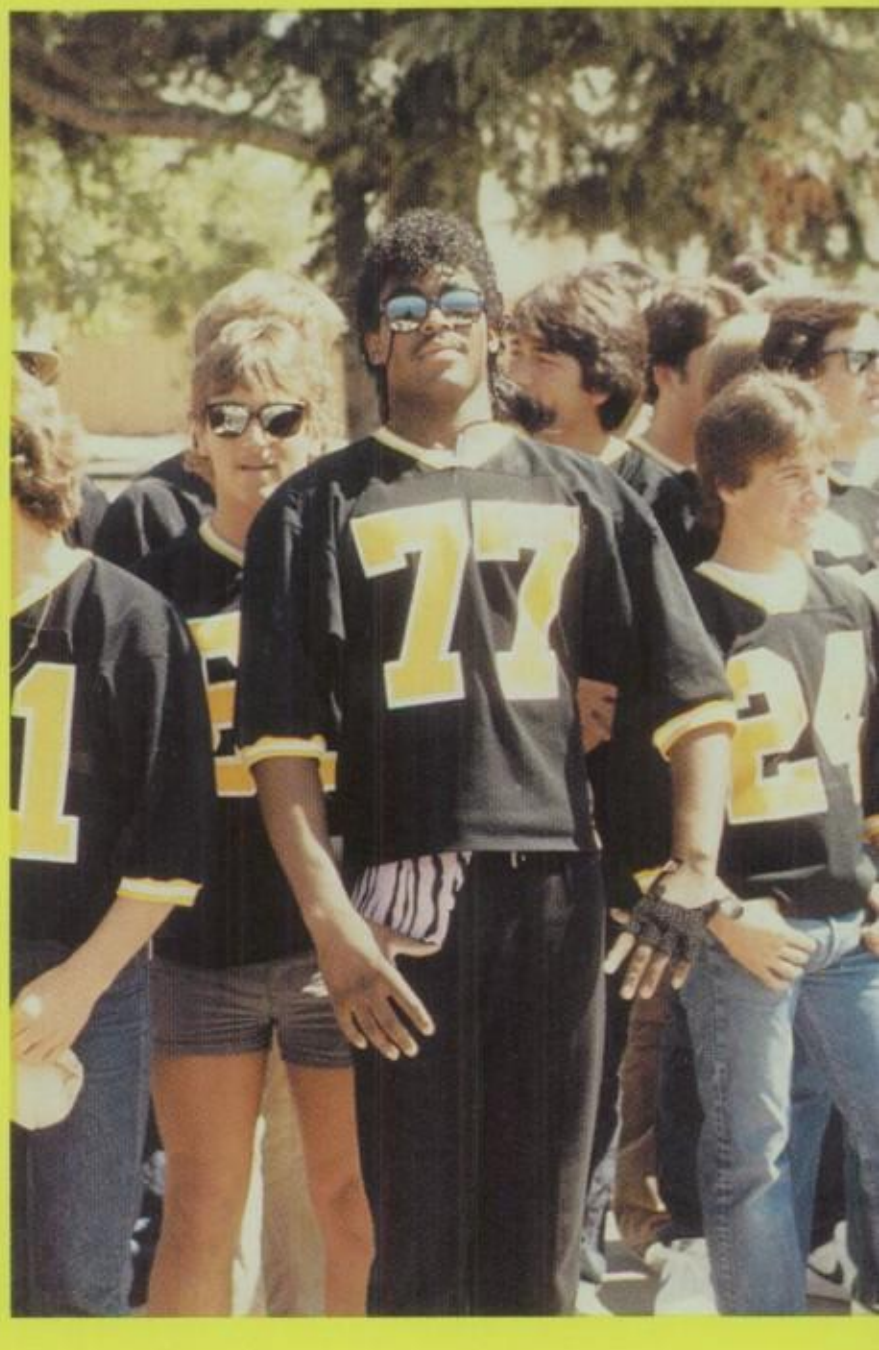
When he is not at work, Mr. Garton enjoys singing with a small group which performs at weddings or other activities; he also enjoys spending time with his two daughters and his grandchildren, oil painting, and sightseeing. He loves Fisherman's Wharf with all the delicious breads to sample. His favorite food, though, would have to be apples. Mr. Garton loves apples!

Mr. Garton, we would like to thank you for your time and devotion to Wilcox and its students. You have done a wonderful job! On behalf of the *Phoenix* staff, we would like to dedicate the 1984-85 *Phoenix* yearbook to you.

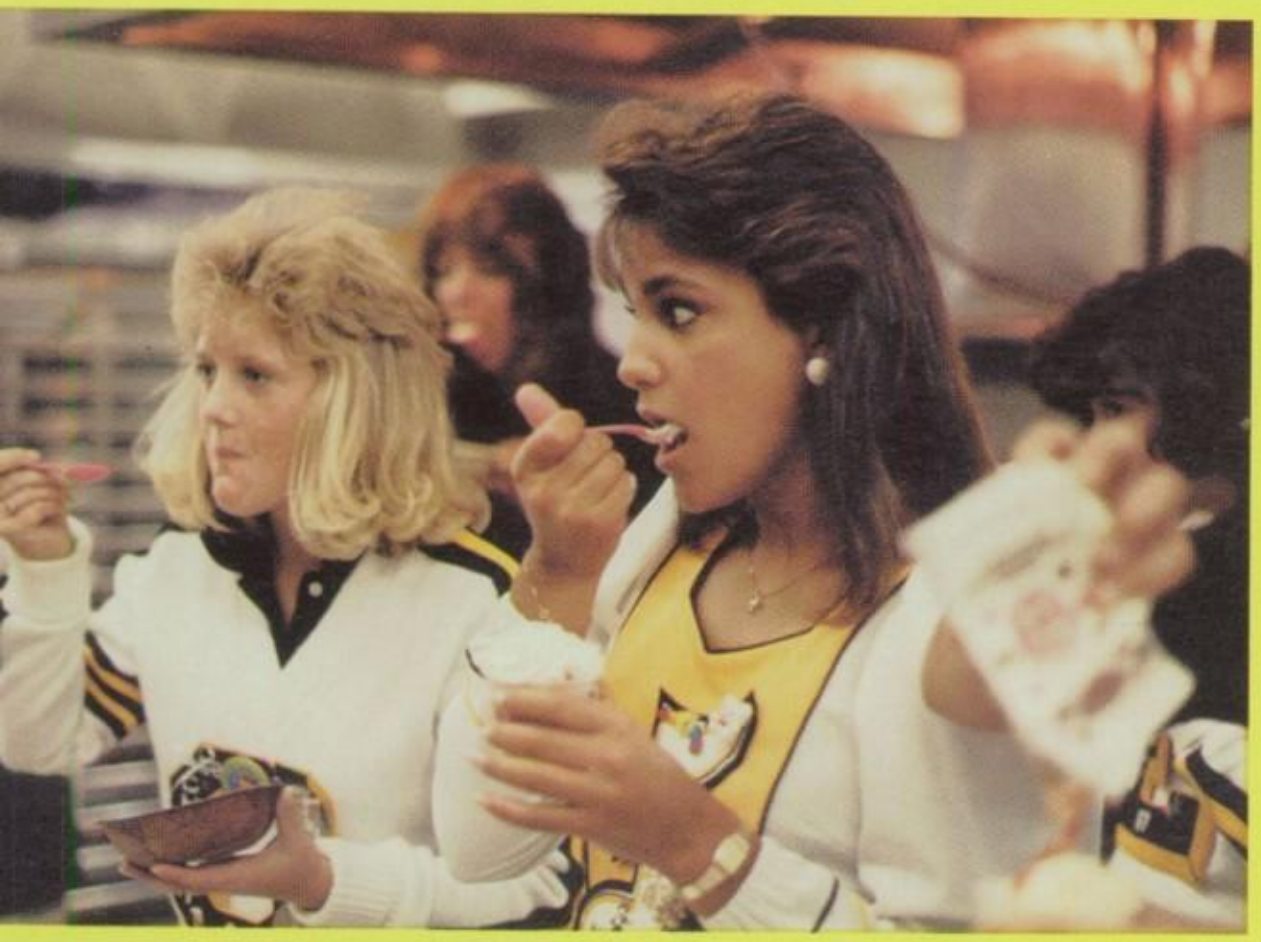








WE ENJOYED



We enjoyed the finer things in life, baseball, hot dogs, apple pie, and Chevrolet! Indulging in life is what we did, experiencing new and exciting things from day to day. We had our fill of junk foods, long evenings, loud parties, and the routine of school, but we made the best of it and enjoyed every minute of it!

THIS IS US.

This is us, each of us unique in his or her own special way. We are the same, yet different, as each person sees us. We live for today, never looking back at yesterday or ahead to tomorrow. We enjoy being with our friends united as a group. We took what life offered and made it work, never giving up, but reaching for the stars!

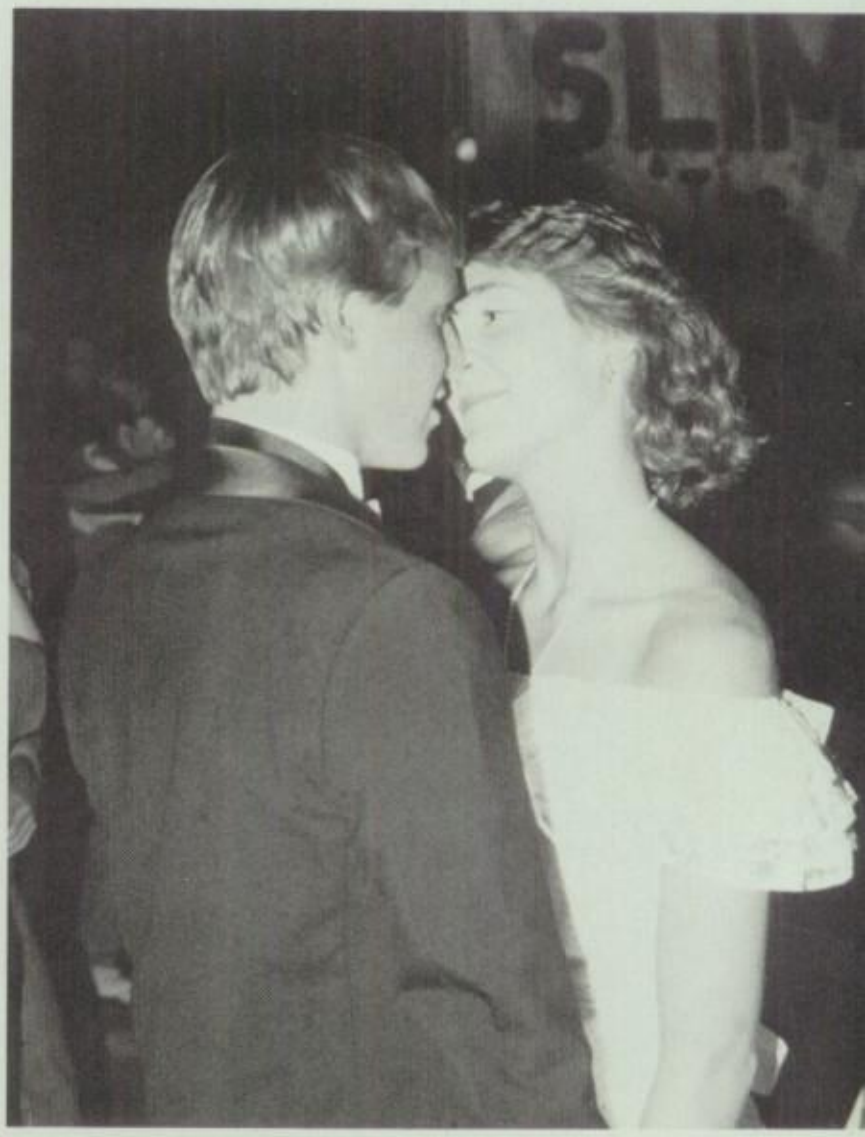
SMURFIN' AT HOMECOMING



SURF'S UP AT WILCOX

A beach in the quad? No, folks, you're not seeing things! The sun was out and so were the Seniors. The Senior Class was responsible for the quaint little beach set up in the quad on Thursday, November 1, 1984, as a part of their Homecoming theme day, Beach Day. As lunch rolled around, the Seniors kicked back on the beach, soaked up the rays, and played frisbee & football; all that was missing was the waves. Here's to all you rowdy Seniors, "MAUI!" and "HANG LOOSE!"

HOMECOMING NIGHT 1984/85

This year's Homecoming displayed a tremendous amount of spirit on the part of the students. The week beginning October 19, 1984, marked the first day of Spirit Week. Each day was designated according to the class's choice: Monday — Grease Day; Tuesday — Nerd Day; Wednesday — Halloween; Thursday — Beach Day; Friday — Unity Day. Each class was responsible for posters, a skit, and a float to represent its theme. Friday night at the game, the competition came to an end, with the judging of the floats. The results were announced as follows: Senior Class won float; Junior Class won skit; Sophomore Class won posters. All the participants and their classes helped to make this year's Homecoming one of the best!

new tradition may have begun in October of 1984, when Wilcox High School hosted its first Male Miss Wilcox eauty Pageant. The contestants of this pageant were to participate in two main events before the crown was resented. The first of these events took place on Tuesday, October 2, when these beautiful men bared down nd paraded around the audience in their swim suits. They were judged on beauty, originality, style, and of ourse, femininity. The audience applauded wildly as Miss Kroll showed off her shapely legs and took first place the "Best Legs" competition. The pageant resumed on Thursday, October 4, when once again these beautiful omen showed us what good taste they really had, as they strutted down the aisle in their favorite evening pparel. Each contestant had the opportunity to answer a question presented to him by our handsome nnouncer, Mr. Potts. These questions were selected to give the crowd a good look at their inner thoughts. The ension was building as the judges tallied up their scores and the first Miss Wilcox was soon to be announced. he faces of our contestants were filled with emotion and anticipation as they silently awaited the judges' esults. To our surprise, there was a two-way tie between Miss Dybdahl & Miss Kroll. The audience was asked to ake the final decision by applauding the best man, or should I say woman, for the job. Mr. Potts announced Miss Dybdahl as the winner. She was overflowing with emotion as she received her crown and sash. If, for any eason, Miss Dybdahl cannot fulfill her duties as Miss Wilcox, Miss Kroll will step into her place. We would like o congratulate all the contestants for their imaginative outfits and for participating in this historical event.

arewell, until next year, when the new will replace the old!

ling and spectacular catches are breath-taking, as are the dazzling performances of the award-winning rgerettes. The credit for the band's dedication goes to Mr. Garton, whose hard work and determination have vided outstanding leadership.

You've probably seen the Chargerettes practicing after school on many occasions. Practice is something they get a lot of. That is undoubtedly the key to their immense success as one of the top drill teams in the valley.

The 1984-85 Chargerette team is headed by third year member Valerie Scott and co-headed by second year member Katherine Kramer. Other "old timers" are Laura Kim, Stacey Gage, and Sheri Sherwood, who are all in their second year. Three new Jr. members are Gail Haney, Heidi Levesque, and Amy Reeves. This year the Chargerettes took on a record amount of sophomore talent. The four are Tina Burfield, Elizabeth Matis, Dianne Miller, and Wendy Morrison. The Chargerettes feel that this will account for an exceptionally good team the next two years due to the number of experienced members it will have.

Every year the Chargerettes bring home high honors from the USA Summer Drill Team Camp. This year was no exception. Also, for the third year in a row the Chargerettes have taken first place in Santa Clara's annual Parade of Champions Drill Team Competition.

After marching season is over, the Chargerettes begin preparing for various competitions around the Bay Area. In the past they have always placed high and this year they hope to keep up the tradition.

It takes a lot of dedication and hard work to be the best, and once again the Chargerettes have proven that they have what it takes!

THE CHRISTMAS CONCERT

A Christmas In Song

December 8, 1984, marked the night of Wilcox's annual Christmas Ball. The evening began at 8 p.m. with the entertainment. The couples danced the night away to the tunes played by the D.J.'s of New Sound. When they weren't out on the dance floor, the couples enjoyed refreshments and had pictures taken. The Chicano Club was to thank for another year of Christmas spirit.

VARSITY CHEERLEADERS

L to R: Jenny W., Robin B., Susie G., Linda P. Not Pictured, Monique P.

This year Wilcox's Varsity Cheerleaders overflowed with Charger spirit. Present at all the games and rallys the Varsity added to the excitement by pepping up the crowd and cheering on the Charger teams. Though it was a cold and rainy football season, they did not allow this to dampen their spirits. They kept cheering right on through Basketball season.

SONGGIRLS

Top: Margaret D., Kathy F.; Bottom: Merry D., Alaina N., Alicia N., Darlene C.

The 1984-85 Songgirls were a bright addition to this year's Wilcox Spirit. Not only did they cheer on the Chargers at the games, but they also performed cute and inovative routines at the rallys as well. A lot of hard work and talent is what made this year's Songgirls team one of the best Wilcox has seen.

LETTERGIRLS

L to R: Christy K. (co-head), Heather C., Marsha C., Judy M., Jeanette S., Cathy F., Peggy L., Maren M. (Head).

If you're not sure who the lettergirls are, just think of the brave young women who withstood high altitudes and low temperatures to cheer on the Charger football team. Their spot, the top row of the bleachers, is probably the coldest spot on the field. "Brave" is a good word to describe the 1984-85 lettergirls, because this year they are probably best known for their death-defying pyramids of amazing heights.

JV CHEERLEADERS

This year's J.V. Cheerleaders added sparkling personality and friendly smiles to the 1984/1985 Rally Council. The J.V. Cheerleaders did a great job cheering on the J.V. teams as well as the Varsity teams throughout football and basketball seasons. The Junior Varsity Cheerleaders should be commended. They added just the right touch to top off a great year of spirit.

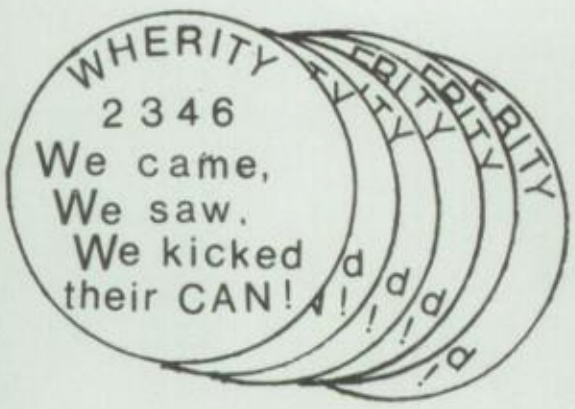
CANTA NOVA SPREADS JOY

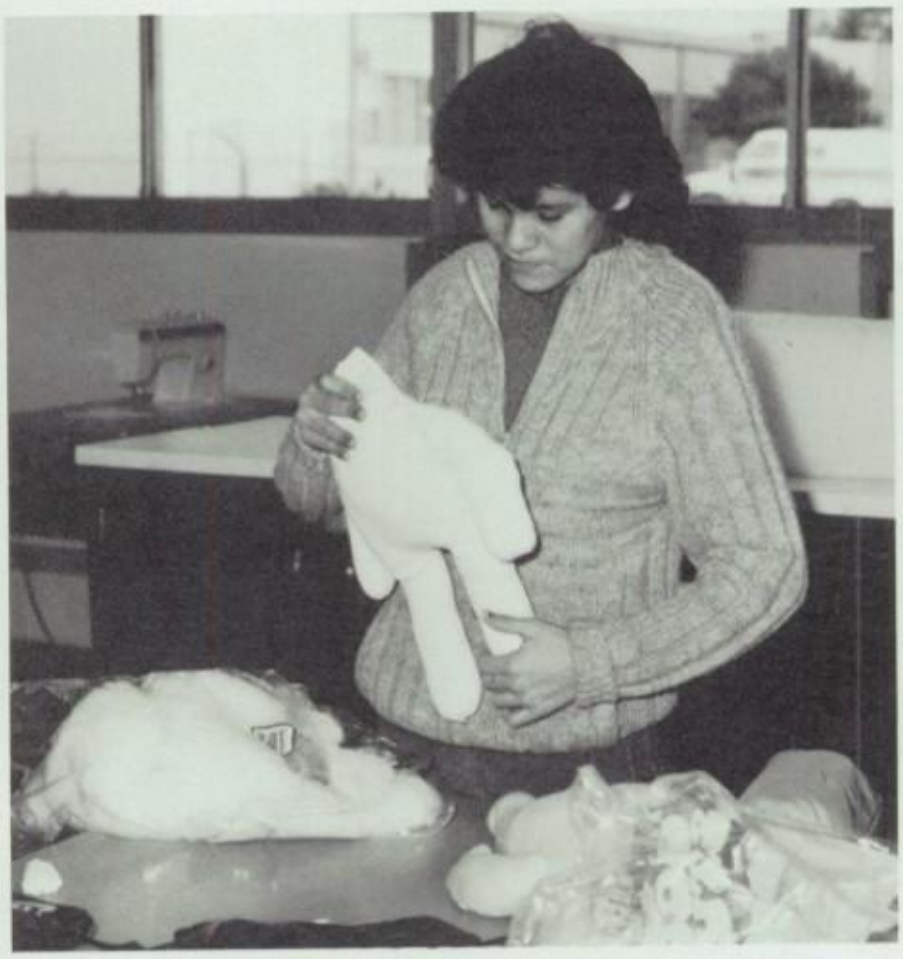
Our Canta Nova, led by Mr. Garton, entertained in the living room of Seven Oaks Residential Park in Los Altos on December 11, 1984. Canta Nova alumni Randi McHargue and Brian Carmack sang solos and duets. Wilcox parents were musicians and performers for "The Twelve Days of Christmas." Laneta McHargue, a Foothill College instructor, directed the night of fun and music. Residents and Canta Nova joined voices while Mr. Garton led the group of many ages in enjoying favorite holiday tunes. Parents performing were: Dr. Mike McHargue, Laneta McHargue, Jane and Jack Kroll, Chuck Kolstad, and Lea McGowan. Students performing were: Jim Monack, Randi McHargue, Brian Carmack, and members of Canta Nova (Mike McHargue, David Kroll, Eric Webb, Jeff Ng, Jim Hare, Rob Nakamura, Joe Brown, Susie Slade, Julie Webb).

CANNED FOOD DRIVE



This year's canned food drive was an event to mark history. It started out with t revival of an age old feud, a feud that began back in 1969 between Mr. Wagner and M Hermann. At first, the two decided to settle it like men, on the dance floor. But time passed, the stakes grew higher. The one to collect the most cans for the cann food drive would indeed be THE BEST MAN; so as the weeks sped by, the t competitive classes furiously collected cans to settle their bet. Meanwhile, anoth group was silently working to overthrow both Wagner and Hermann. This group w Mr. Wherity's second period Biology Class. Its goal was not only to collect more ca than Wagner and Hermann, but more than the whole school put together. Wh Wagner and Hermann found this out, they decided to call it a truce and join forc Together they challenged Wherity. The contest was on. The wagers were mad students were bribed and words were exchanged. As the contest drew to an end, t school held its breath to see who would come out the winner. Once again t undefeated Wherity, King of the Canned Food Drive, prevailed. His class reached goal with a count of 2,346 cans. This year Wilcox broke its own record of 2,000 ca with a count of 4,000 cans. This is due to the efforts of the entire school, including M Wagner, Mr. Hermann, Mr. Wherity, and Mrs. Owen, with her surprising turno Hopefully, because of this effort, many many people had a better Christmas. 4,0 cans! Well, in words of Mr Wherity, "If you're gonna do it at all, do it right!"

HE CABBAGE PATCH CRAZE



The Cabbage Patch Craze hit Wilcox as students in Mrs. Bull's handcrafts class manufactured their own Cabbage Patch dolls. All their time and effort was rewarded when the dolls were completed. The finished product was quite a sight. Is it real or is it a duplicate? You tell me!

CHRISTMAS AT WILCOX

THE 2ND ANNUAL TURKEY OLYMPICS

November 19, the day of the opening ceremonies for the 1984/1985 Turkey Olympics. This was the day when the school's finest turkey athletes would finally have the chance to test their abilities after many days of strenuous training and heartfelt dedication. Each of the team members was specially selected for his strength, courage, skill, and most of all, character. It takes a certain type of person to stand up under the grueling pressure of events such as the piggy back race, sleeping bag race, wheel barrel race, and THE HUMAN PYRAMID. On the third day, many of the athletes had met the thrill of victory and others the agony of defeat. The Sr. Team took the gold; the Jr. Team, the silver; and the Soph. Team, the bronze. The grand event ended with the traditional closing ceremonies until the 1985/86 Turkey Olympics, when the new athletes will have their chance to go for the GOLD!

GRAPEVINE

"Hey man, look at that chick over there. I think she's looking at me."
"Where? Who?"
"Over there, on the bench, the one with the flourescent socks."
"Don't get excited, She's not looking at you."
"Sure she is! She's looking right at me!"
"She must be blind."
"Quick, give me your comb!"
"I have a perm!"
"Oh, yeah, that's right."
"Just go talk to her."
"What should I say?"
"I don't know. Just go over there and flex or something."
"No way! I only weigh 103!"
"Forget it! Let's just go to the chess club meeting."

"Hey, look at that guy over there. I think he's looking at me."
"Who? The skinny one? He looks like he weighs about 100 pounds."
"He's not bad! I think he's kinda cute."
"Yeah, but look at his friend! He has a perm!"
"Well, maybe if he combed it."
"Sure."
"Do you think he'll come talk to me?"
"Go talk to him."
"Right! What would I say?"
"I don't know. Tell him you want his body or something."
"What body!"
"Look, are you gonna talk to him or not?"
"I don't know, he probably thinks I'm a geek!"
"Then, forget it; let's go!"

This year the Chargers' Varsity Football Team had an outstanding season. Led by All-Leaguers Greg Neher, Willie Deason, Casey Copeland, Jason Macadaeg, Doug Carpenter, Keith Barker, Matt Blue, Mike Cotton, Carl DelRosario, and Chip Vargas, the Chargers went 9-3 for the season.

The Black and Gold pounced Santa Theresa in the first playoff game before being defeated by state-ranked Los Gatos 13-7 in the second game. Although they didn't win, it was their finest game of the season.

Wilcox's Sophomore Football Team finished 5th in the SCVAL. The team was led by 2nd Team All-League players Eric Neher, Ken Yi, and Marc Hinoki, plus Ist-Teamers Jim Overhulse, the Best Defensive Player, Leon Pyon, Outstanding on Offense. The Coaches' Awards winners for dedication and effort went to Rich Epperson and Larry Minsteda.

Highlights of the season included the come from behind 7-6 win over Los Altos after Greg Verela recovered a fumble punt attempt. Following a subsequent pass from 96 Art Ekland to Yi, the Sophs scored to tie the game with only seconds left. Curt Engbretson's extra point provided the winning margin.

Yi was involved in another big play in the win over Milpitas. After a handoff from Pyon, and behind perfect blocking, Yi sprinted down the sideline for a 95-yard kick-off return to open the second half. Milpitas never recovered.

THE 1984 GIRLS TENNIS TEAM with 12 members, went through a transitional season. With both a "new Coach-"coach" and only 2 players with some varsity experience returning, the competition and challenge had to be met with personal drive and a real willingness to "hang-in-there"! "They did," says Coach Ludlum, "and they will continue to improve with effort and dedication."

#1 Singles player, sophomore Charleen Ho, was the awardee for MVP, and versatile Hong Nguyen (11th), the recipient of the Most Improved Player.

WATER POLO

The Wilcox Varsity Water Polo team Improved greatly over the past year. They finished the 84-85 season with I more win than the 83-84 season. They will continue to improve over the next few years due to the rising interest in the sport. The team began practice during July and continued their vigorous practices throughout the season. The dedicated members could be seen as early as 6:30 a.m. swimming laps in the pool and also after school as late as 5 p.m. Some of the more outstanding members of the team were Eric Feitz, who received the coach's award; Rich Armstrong, who received the award for most improved; and Bryan Lamb, who was the team's most valuable player.

The Junior Varsity team, the first Wilcox has had in 5 years, had a fantastic year, finishing the season with a 4 and 8 record. The team shows great potential in becoming a fine Water Polo Team.

The Charger Wrestling team had a challenging season with a league record of 1 win and 4 losses. This determined team displayed great effort and sportsmanship. The highlight of the season was destroying our rivals, Santa Clara, with a score of 36-30. Senior Bud Bertram took 3rd in All-League, qualified for C.C.S., and took 4th place in the Branham Tournament. Freshman Emmitt Palacios was the outstanding wrestler of the team as he took 1st in the Branham Tournament, 2nd All-League, and 2nd in the Independence Tournament. Emmitt also won 3 out of 5 matches in C.C.S. Tom Huynh took 6th place in the Reno Tournament and Mike Lum took 4th place in the Milpitas Tournament. While three outstanding seniors will be missed, next year's team will be strong and experienced. Everyone's looking forward to a winning season!

The SCVAL League is one of the toughest in the area, so we had some very tough competition. Our team started out with one experienced player and a lot of hard-working athletes. Our overall record was 11 wins and 4 losses. But being in the toughest volleyball league, our season record was 3 and 3. We took fourth place in the SCVAL league. Most Valuable Player (Stacey MacDonough), team captain and leader, really held the team together and took the team to playoffs. Jody Mason was another strong leader on the court, who helped keep the team going, with her setting ability and determination. Jody received the Coach's Award. Most Improved Player went to Molley Jackson, who played middle hitter/blocker.

Another block by Stacey.

The women's Junior Varsity Volleyball Team had an outstanding season. Their overall record was 16-3, in league play, being undefeated 6-0. In the Moutain View Tournament the JV team played tough, taking the first place trophy in the B-Pool Division. They won the Cancellation trophy in the DeAnza Volleyball League Invitational Tournament, in which the JV team lost a close and good first match against St. Francis, then came back and defeated Homestead and Lynbrook to bring home the Consolation trophy. Lisa Ngai, a 1st Team All League Player, also an all around player, small but mighty, was named Most Valuable Player of the team. Kate Jackson, another 1st Team All League Player, was given the Coaches' Award, as she played tough at the net and would sacrifice her body for the team. Wency Wool, the captain, and Jill Mason also 1st Team All League Players, did a great job setting and heads up playing. Ji Soo Lee, a tough server and front row player made Honorable Mention. As everybody improved throughout the season, Friday Cheney was named Most Improved Player of the Team.

The 85 Charger Women's Basketball team had an outstanding year, compiling a perfect 12-0 league season for our second consecutive SCVAL championship. With an overall record of 21-4, this great team represented Wilcox in the first televised CCS finals, finishing a close runner-up to first place Mitty, and in the CIF Regionals in the Oakland Coliseum.

Throughout the season, the balanced Chargers shared the scoring honors among five capable starting Seniors, and all five received all league recognition. The Chargers selected two MVP's Captain Anna Emery, known for her hustling defense and "magic" passing, and co-captain Lisa Imahara, whose great shooting touch led all scores with a 12 ppg average. Shirley Jordan's exciting quickness personified the Charger's passing and running game, while Stacey MacDonough and Deborah Russell dominated the inside play, each averaging 10 points and over 10 rebounds per game.

Capable reserve performances came from the Charger's "Little Sisters" Junior Sandra Hong, Alicia and Alaina Nakamoto, Sophomores Wendy Lyn and Most Improved Player, Marcie MacDonough.

All games played were closely matched with an overall record of 10 wins and 9 losses, along with 8 games that went into overtime. The highlight of the season was an awesome win over Palo Alto. The competitors struggled as they hit nose to nose and pushed the game into overtime. The Chargers recorded the win over Palo Alto by sinking 11 out of 12 freethrows in the overtime period. Rodney Paolinetti was voted the Most Valuable Player and 1st Team All-League. Curt Engbretson received the Honorable Mention award and Henry Urango was voted the Most Improved Player. The honor of the Most Inspirational Player was awarded to the captain of the team, Greg Kusa. GREAT JOB, GUYS!

The JV girl's basketball team resembled a roller coaster as they played up and down all year. After beginning with a very disappointing 2-5 preseason, they could get things together for the league campaign. They compiled a league record of 11-1 which was good for the co-championship with Milpitas. The Chargers were led by the scoring of Stacy Wolchow, the ball handling of Jenny Solis, and the rebounding of Ji Soo Lee and Stacy Wolchow. All league members consisted of Patsy Winningham, Ji Soo Lee, Stacy Wolchow and Jenny Solis. The best effort of the season had to be against Gunn where the Chargers battled back from a 20-9 halftime deficit to win 44-27.

Brian Kent Gazlay - July 23, 1967 - September 20, 1984

I guess I thought you'd be here
forever
Another illusion I chose to create
You don't know what ya got
Until It's gone
And I found out a little too late.
I was acting as if you were
lucky to have me
Doin' you a favor I hardly knew
you were there
But then you were gone and it all
was wrong
Had no idea how much I cared.

Now being without you
Takes alot of getting used to
Should learn to live with it
But I don't want to.

Living without you
Is all a big mistake
Instead of getting easier
It's the hardest thing to take
I'm addicted to ya babe
You're a hard habit to break.

To a girl I loved so dear
I write these words for all
to hear.
She was so sweet, she was
so kind.
A friend like that is hard
to find.
She used to talk of many
things.
She'd even speak of birds
that sing.
She used to smile night and
day.
That's why she was loved
in everyway.

She treated people with
warmth and love
She had the beauty of a
dove.
She'll be remembered
throughout the years
Even after all the tears.

I write this for you, little
Pam.
Because I know you'd
understand.
You may be gone and out
of touch.
But we'll love you just as
much.

Melinda,
It has really been fun in Geometry and Chemistry and at lunch. Next week will terrorize the streets of Sunnyvale, OK? I'm looking forward to it! Hope we can get together over the summer. I'll teach you how to waterski if you want to learn and you can teach me how to ride (a horse) not a motorcycle! We really had fun times this year. We've had quite a few classes in the past years, so we will hopefully have more again next year. Good Luck next year and I'll see you in the summer!

Your Friend Always,
Heidi
